DRAFT LETTER TO

STATINTL

Dear :

The problem raised in your letter of 28 April concerning vouchers for expenditures for entertainment has been reviewed and the specific accountings in question have been approved.

Part of the trouble arose out of the fact that the position of Senior Representative had not yet been fitted into the normal pattern established for approval of vouchers. I have therefore arranged to have matters of this sort handled directly by the Deputy Director for Administration so that where approvals are required he can take final action.

I trust this will clear up the matter and if there are any practical problems resulting, you will be able to resolve them with the help of the Deputy Director for Administration.
